Dear Mr Roberts *Malcolm*

Thank you for your letter of 16 April 2013 outlining your ongoing concerns about climate science, including your correspondence with the office of the Minister for Climate Change and Energy Efficiency, Hon Greg Combet AM MP.

Jo Maranta from my office will be in contact to make a suitable time to meet during the parliamentary break.

I understand that since our initial meeting in January 2011, you have had extensive contact with my office regarding these matters and in response to your correspondence.

Thank you for taking the time to share your views.

Yours sincerely,

Jane
