Mr. Stuart Robert, MP
Federal Member for Fadden
PO Box 733
Biggera Waters QLD 4216

Dear Mr. Robert:

Further to my letter dated February 18th, 2013 sent by post and facsimile please refer to the enclosed copies of recent exchanges of correspondence with Ministers Greg Combet and Don Farrell and former Minister Chris Bowen.

Greg Combet's department grossly misrepresents climate and science. Former Minister Bowen was responsible for CSIRO. The enclosed material is self-explanatory.

Hopefully you will appreciate its significance and use it to assist you in fulfilling your responsibility to protect taxpayer funds.

I hope you share my desire to restore national governance and sovereignty and to protect personal freedom as detailed in my report (including appendices) sent to you last February.

I'd be pleased to meet with you to discuss correspondence with Ministers Combet and Bowen. I can reveal the government's vulnerability and ways to restore the opposition's integrity on climate.

Yours sincerely,

Original personally signed
