The Hon Malcolm Turnbull  
PO Box 6022  
House of Representatives  
Parliament House  
Canberra ACT 2600

Dear Mr. Turnbull:

Your attention is drawn to the accompanying copy of a letter to Greg Hunt and of another to the Prime Minister. The former provides evidence that Greg Hunt seems to be wilfully misrepresenting climate, science and Nature.

With his latest letter to me Greg Hunt has put himself in an untenable position. This is explained in my reply. **Please particularly note page 2.**

As a courtesy you're advised that your name is mentioned on page 5.

In early 2011 Jane Prentice's staff arranged for me to meet with you. Jane's staff subsequently advised that you withdrew. Please note that I'm available to share my six years of independent pro bono research with you at a meeting should you wish to be advised by independents not funded by government. If you so choose I can arrange to be accompanied by independent scientists. We would be pleased to engage in a debate with your advisers and welcome the opportunity for you to cross-examine us if desired.

Yours sincerely,
