The Hon Greg Combet AM, MP  
PO Box 6022  
House of Representatives  
Parliament House  
Canberra ACT 2600

Dear Mr. Combet:

**LAWFUL NOTICE BY REGISTERED POST WITH DELIVERY CONFIRMATION  
WITHOUT PREJUDICE AND IN GOOD FAITH**

ABC-Radio journalist Steve Austin requested review of a prominent CSIRO climate report. My review is enclosed because investigation into the carbon dioxide science and tax reveals the science was manipulated by agencies employed by government. Cutting human carbon dioxide by taxes or Direct Action cannot impact climate. The pain for no gain is itemised for you.

Your behaviour and statements on climate policy have been prominent in misleading Australians. I previously advised you in writing of corruption of climate science yet you continued advocating cutting carbon dioxide and penalising Australians. You have never provided any empirical scientific evidence and logical scientific reasoning that human carbon dioxide warms our planet. You have repeatedly contradicted empirical scientific evidence.

**Unless you provide empirical scientific evidence and logical scientific reasoning showing human carbon dioxide controls climate I ask you to resign from parliament immediately.**

This letter and your response will be posted on the Internet. You have a golden opportunity to restore trust by advising actions you will take to rescind all legislation on the carbon dioxide tax and Renewable Energy Target. We need an open, impartial inquiry into corruption of climate science requiring evidence under oath.

The report provides all the evidence you need to repeal the tax, stop the Coalition's Direct Action and regain people's trust, respect and admiration. I'm available to discuss it with you. Which party will reveal and repeal first? Which MP will win people's hearts and votes by placing people first, party second. Will you demonstrate integrity to secure Australia's future?

Yours sincerely,

*Original personally signed*
