The Hon Tony Abbott MP
Member for Warringah
PO Box 450

Dear Mr. Abbott:

Subject – Restoring integrity to Coalition policy

Thank you for your effort as Prime Minister when you faced the major issues being to reduce spending and debt, manage the budget, restore our national borders, hold unions accountable, and end ALP-Greens theft through revoking unfounded taxes on carbon dioxide and mining.

A recent letter to my representative in federal parliament, Mrs. Jane Prentice (Liberal) compiles facts from eight years investigating climate and even I was stunned with what it revealed about the Coalition's behavior. Although I am critical of your publicly stated position on climate it seems, as I have said to Mrs. Prentice, that Greg Hunt misled you as Prime Minister.

I am confident that you will find the attached copy useful and I hope the irrefutable logic and facts will stimulate you to encourage fellow MPs to recognise the dangers to governance and sovereignty presented by the current policy, and to then restore integrity to Liberal policy and to restore Australian sovereignty.

I am available to meet with you to discuss this and to be questioned on my evidence.

Yours sincerely,

Originally personally signed
